TheBuzz DRAFT.pdf

Hi Betsy,

Attached is a draft version of "The Buzz," a newsletter produced by the Forensic Drug Laboratories. The newsletter existed prior to this form as the "Drug Laboratory Newsletter." Copies were printed and distributed to Evidence Officers of police departments at the evidence submission windows in Boston and Amherst. Electronic copies were not distributed. The purpose of the newsletter is to update drug enforcement officials on new trends, interesting submissions, and other notable forensic issues within Massachusetts. The federal Drug Enforcement Agency (DEA) produces similar material to inform its partners. Evidence Officers have found the newsletter to be very informative and an effective way to receive Massachusetts-specific drug submission information.

Thanks,
Kristen
